

OTHER FACILITIES

Our college provides some extra facilities for the students. These facilities include-

- Gymnasium
- Doctors Room
- Main Cafeteria (Academic Building)
- Mini Cafeteria (Hostel Building)
- Recreational activities such as picnic, study tour, cultural programme, sports & debate.
- Well decorated computer lab with hi-speed internet.
- Modern language lab with state-of-the-art English language learning facilities.
- Indoor Games.

CAREER OPPORTUNITY THROUGH JOB FAIR

After completing the courses successfully, eligible students are facilitated to get jobs in different Government and Non-Government Medical Colleges & Hospitals, Clinics, Thana Health Complex and in different health technology institutes. Moreover, the students are trained to work all over the world such as in the Middle East, Europe, America and elsewhere.

GCCN arranges Job Fair every year for the final batch students and hospital officials from various organizations and places come to GCCN campus and offer jobs to the students, so that students can learn about the different hospitals' facilities and can choose desired hospitals for their job.

A JOURNEY DESTINED TO EXCELLENCE

Starting in 2010 with 38 students, Grameen Caledonian College of Nursing raced to become a thriving and dynamic international educational institution operating at its new and own premise with over 900 male and female students.

GCCN is set to build a global standard education and training facility for nurses with a vision to establish an international platform for the next generation enrolling in this noble profession. Hope GCCN will excel the legacy of Grameen initiatives towards further glory and pride and play a vital contribution towards society. ~ Chairman, GCCN

With the experience of successfully completing similar projects in Kosovo and Tajikistan, Glasgow Caledonian University, UK, has joined hands with Professor Yunus to contribute to fighting challenges hindering health development due to a lack of trained health professionals. GCCN is progressing at a projected pace and vows to become a leader in the arena in this part of the world. ~ Managing Director, GCCN

Marking inception with faculty from GCU, UK and being supported with a global standard curriculum GCCN is focused to build professionals of international standard in Nursing & Midwifery. We have already marked our footprints towards that goal. To let GCCN be truly global, we are facilitating enrollment for international students and offering opportunities for higher studies abroad as well. ~ Principal, GCCN

GRAMEEN CALEDONIAN COLLEGE OF NURSING EXPRESSES THEIR HUMBLE GRATITUDE TO ALL RESPECTED PATRONS, PARTNERS & ASSOCIATES.

EXCELLENCE

GCCN provides education at international standards along with a culture that promotes personal development. Students are exposed to an environment where they are encouraged to develop their confidence and self-esteem as well as scientific knowledge of nursing and health care.

AWARDS

GCCN/GCU received the Unilever International Award that recognizes businesses that can demonstrate positive impact on one or more of the UN Millennium Development Goals.

ACHIEVEMENTS

Every year, students get merit positions with distinctions. Hundreds of GCCN graduates have been working with honor and dedication in both government and private hospitals.

ADVOCACY, PROMOTION OF A SAFE ENVIRONMENT, RESEARCH, PARTICIPATION IN SHAPING HEALTH POLICY AND IN PATIENT AND HEALTH SYSTEMS MANAGEMENT, AND EDUCATION ARE ALSO KEY NURSING ROLES.

ABOUT GCCN

GCCN is the largest and one of the leading Nursing colleges in the private sector of Bangladesh approved by the Ministry of Health & Family Welfare, Bangladesh Nursing and Midwifery Council and University of Dhaka. Established in 2010, GCCN is a successful partnership between Glasgow Caledonian University (UK) and Grameen Health Care Services.

OBJECTIVES

- To prepare young people to become leaders and active agents for change to foster improvement in the healthcare and wellbeing of the people of Bangladesh and elsewhere in the world.
- To deliver international quality nursing and midwifery education and research.
- To promote the values of holistic and community-focused care.
- To be recognized as an institution that is a leader in the field of nursing and midwifery education and research in South Asia and elsewhere in the world.
- To ensure that our students undergo an education that prepares them with the skills to be professionally competent and to gain the expertise they need for lifelong learning.
- To be creative in learning and teaching activities using adult learning approaches.
- To be inclusive in activities working closely with government, partner organizations and private institutions.

INFRASTRUCTURES

CLASSROOM

GCCN is committed to ensuring an exciting learning and recreational environment in our college. We offer a modern, quiet and tidy campus with high standard classrooms. Well-furnished, spacious classrooms equipped with the latest teaching aids. All classrooms are well-illuminated, properly ventilated, have modern sitting arrangement, and equipped with Air Conditioning and sound system.

LABS

In GCCN, students get a special opportunity to use various kinds of lab facilities to develop their skills and competencies. Students become capable of developing both their theoretical and practical knowledge very strongly. These labs are all well equipped with real-life clinical situations where students can conveniently learn to care for patients in the right manner. Our labs are-

- Anatomy and Physiology Lab
- Science Lab (Microbiology, Chemistry and Physics Lab)
- Fundamentals of Nursing lab
- Nutrition Lab
- Computer Lab
- Language Lab
- Maternity and Neonatal Lab
- Medical and Surgical Nursing Lab
- ICU and Operation Theater Lab

LIBRARY

GCCN has a large well-equipped library with modern technology like e-library, national and international books, journals, health related books etc. Students can borrow books from the library as well as they can also use the library materials online.

E-LIBRARY

GCCN has launched an e-library for its students & faculty members. Other visitors can request temporary guest Wi-Fi access on e-library's device at the Help Desk. There are laptop/desktop clusters in the library for faculties and students. All other users will have access to any of their devices too.

DORMITORY

GCCN provides a 9 storied building for the female students with fully furnished rooms, large dining, indoor-outdoor gaming, prayer room, common rooms, sick/isolation rooms, and TV room facilities. This hostel has a total 154 rooms with the capacity of 700 students. GCCN also provides residential facilities for the foreign teachers/visitors and students in this dormitory. A standard safety and security system is highly maintained by the authority. Everyday 3 meals considering nutritional value are provided in a big 200 seat capacity dining hall on the ground floor of the hostel.
